HIGH SPEED PRINTING

Centrodyne's Newest "Silent 620"

Introducing Centrodyne's newest innovation to the Taximeter Industry, the "Silent 620" Hi-Speed Printer. Outpaces all other taximeter printers. Prints receipts 5 times faster than other meters (approx. 3 seconds for a standard receipt).

- Rapid printing of all types of receipts - more trips per shift
- Quick Paper Loading - auto paper feed
- Jam proof design
- One moving part – virtually maintenance free
- Graphics ready
- All the reliability of Centrodyne Taximeters
- Most versatile Smart Meter available
- Hi-Speed Communications Port
- Easy programming & calibration (no formulas)
- Deter fraud, theft & tampering with Password and Electronic Serial Number
- Built-In Pulse Divider (SEND/DIV) - saves time & money
